Skill: Story Structure

## Skill: Story Structure

A handwriting practice sheet with a large, light gray watermark of the letters 'P' and 'L' across the top. The sheet is divided into four quadrants by a central vertical and horizontal line. A white rectangular box is positioned in the center, overlapping the intersection. Each quadrant contains horizontal lines for handwriting practice, consisting of a solid top line, a dashed middle line, and a solid bottom line. The bottom-right quadrant is empty, while the other three contain faint, illegible text.
